

Club Newsletters are issued following Committee Meetings and are indexed by Month and Date at the website "NEWS PAGE". Any queries should be directed in the first instance to the Club Secretary.

## Fellow Club Members

Welcome to the 2024 bridge year everyone. Hope the Christmas/New Year break was enjoyed with family and you are refreshed to take on new bridge challenges.

Firstly another reminder that our club Individual Championship (Sunday 11 February) has been postponed and will be held further down the track.

Membership fees are due for payment by mid-February so the club can inform Queensland and Australian bridge associations of our member list.

As you are aware, Monday night sessions have been taken off the bridge sittings for the time being. There has been a move to garner interest in a Monday afternoon session, but at present this has not produced enough names to make it a viable proposition, so for now Wednesday and Friday mornings are the choice.

Barrier Reef Congress 2025 preparations are going well with Karin and Campbell, also assistance from Chi Chi. As time draws nearer to this event our club members will be called on to undertake small tasks (raffles, setting up etc.) to help make the congress an enjoyable one for visitors and their families.

On a sad note, we have in the last month learnt of the passing of two of our former club members Jan Catt and Sandra Van der Mast. Jan's memorial details have been distributed to all.

Once again, have an enjoyable year 2024 at the club everyone.

Club Secretary – Jacky McKenna
