

## Yeppoon Bridge Club - NEWSLETTER - AUGUST 2022

Club Newsletters are issued following Committee Meetings and are indexed by Month and Date at the website "NEWS PAGE". Any queries should be directed in the first instance to the Club Secretary.

### Outcomes from **Committee Meeting – 24 June 2022**

**Barrier Reef Congress** – Due to Covid conditions and the occurrences of the Rockhampton beef Week, the Yeppoon Bridge Club is scheduled to host the 2025 BRC. The Committee agreed that organisation needs to commence and it was agreed that the BRC be an important item of discussion at the 2022 Club AGM, with an Interim Committee of two (Organiser and Convenor) to be appointed to commence the process.

**Club Image** – Richard Zimmerman has generously put forward some publicity ideas for the Club, to enhance our local profile. He will follow up with design and placement of flyers at such places as library, community Centre booklet, etc. An advert will be organised for the Spectator. Great work Richard.

**Club Website** – The home page has been redesigned, recent photos are now on the Photo Page, a News Page has been created where newsletters will be available, Congress information is shown at the Events Page and the Breaking News column.
